Sign in (Picture Credit: Game Interactive) Some football manager2020 WonderKadas needs to be at the top of your agenda whenever you take more than a new club, to set up your own for the future. We are not talking about Killaan Mabauppi or Marcus Rashford; These football managers are 2020 Wondrakadas unknown gems, you can pick up for cheap and raise in some of the best practicein the world, whether they go on to become a club hero or sell them to you for some serious cash. Here's the best football manager 2020 Wondrakadus we've found in all positions, goal scorers from the goal-scorer son. (Picture Credit: Game Interactive) Although there are many high-profile future slots to play in the goal, our number one choice has to go to manuel, the 17-year-old Italian in The Business. The asking price will be different, but you should be able to take it around £5m and for a percentage of the profit from the next sale. Pick it up and you'll be a star-in-the-be-keeper for years to come. An 18-year-old is back at the age of 18, Herral is ideal for the club not in the top ranks but is looking to buy young players for the future. They have been estimated to be around £500k-£1m and they will only ask for around £2k in salary, so they have a solid choice. The player standing here is The Equal Palacios, trading them to the Plate River in the middle of an Arganganian center. Their best character is along with a deep lie and goes through at the beginning of the game with 16, to see He will be spoken to by some big teams immediately, so try to get them to the game and get it early. A great forward who will help score and many goals will undoubtedly be a great asset to your team. You can't expect to win trophies in the Football 2020 Manager at least a decent forward who scores a good number of goals. If you need to encourage your team's attack, check out these 5 great forwards in Football Manager 2020 Mobile. 1. Kazim Marega Kazim Marega is a ical finisher who goes to the line for Porto. It is a goal-poker with the best rating seiontocomplete (17), movement (19), and power (19). He is also a very quick and fit player with 16 ratings for both speed and ability. Also, Marega is very strong in the air and will have a lot of back-to-head to the back of the net and the ears. With eight feature ratings in 15 or more, Marega has a great future which could score more than 30 goals in most countries. Marega's As the rating of the characteristics of On 28 Is Marega, he has a peak age which is too high to offer four or five good seasons. The player is worth 8,500,000, which makes it real Deal. You might be able to snap it up for about 25-30 million. Even a 40,000,000 transfer to Marega would still be very good value. 2. The Raafil Liao Liao is something of a vandarkad who pays for AC Milan. It is a defensive forward who has a speed, technique, strength and fast rating of 15 (out of 20). The best thing about his game is that he walks with the aerial threat rating of 16. The shooting and movement rating of 13 and 12 is not good, but remember that it is a very young person with a rating that can be more important than five or six years. Liao's characteristics are rating Liao has a lot of potential for the future in 20 years, and that's also given to the new Ronaldo Borges! The player is worth over 24,000,000, but AC's Milan could probably be a little inevitable to go to superstars without making a potentially big transfer bid. You may need to make 50+ million bids for Ronaldo in 2019, and the price of their transfer will inevitably increase with their attribute rating. Nevertheless, you can snap it up for maybe less than 90,000,000, which is an affordable transition for big clubs in Spain, Italy, England, Germany, Holland and France. 3. The Warner-Warner is a Pakai Poakhar who pays for The Lord's Lepzing in Football Manager 2020 Mobile. It is a forward with the outstanding shooting, movement, and speed feature ratings of 19 and 18. He is a very fit and aggressive player who make good decisions on the pitch. The Warner is also good and creative rating of 14. His strength and technique may be a little better, but there is plenty of scope for increasing his rating sin in training as The Warner is a small player in 23 years. The Rating spacing of The Warner attribute is worth 37,500,000 in 2019, and you'll have to make a bigger bid than sign it. However, The Warner Agreement has a 52,000,000 release fee clause. So, you will not need to make any bid beyond 52,000,000 to sign this player! He will be able to sign in for 80,000,000 as that contract clause does a bit of a deal the corner. 4. Sirco Immobile is a stoire immobile of Italy with outstanding shooting and movement. This forward also has high rankings for teamwork, talent, aggression, and decisions. Immobile speed and creative data are very good. He has too many players at peak age (29) for your team to score many goals before starting to rate his speciality. The Immobile attribute rating is valued at Immobile 46,500,000. You probably have to make a somewhat bigger bid to add him to your team. However, it is worth the stomp 90-100 million for him he will often recover more than 20 goals a season in Europe's top league. 5. Alexander Isak Isak pays for real San Bach in Spain's first division. It is a stoire with great speed and strong finish. With an aerial rating of 15, Isak will score a good number of goals by heading into the in-the-off. This player is also good technology. And the rating of the movement attribute. Isak's feature rating in 19 years, Isak is a very hot possibility that will be better and better than at least six years. Marega and Immobile may have better attribute ratings, but they can be as good as them at the same age. He is valued in 28,500,000 in 2019, which makes it affordable for the top clubs in Europe. You will probably score the burden of goals for your team in 10 seasons which is worth it for a player, in which to sign it will need to make a bid of at least 40-50 million. Football Manager Mobile 2020 . Application Store Video which is 5 great forwards in football manager 2020 mobile which will be red hot player in your teams. They will score a lot of goals, and your team will probably win more games with them. So, check them out! Out!
